RE: Marin-Sonoma Narrows Aesthetics Selection Committee – Item 4.b.1

Larkspur:
Joan Lundstrom

Dear Commissioners:

Mill Valley:
Dick Swanson

At the September 15, 2004 meeting of the Marin-Sonoma Narrows Policy Advisory Group (PAG), Caltrans recommended that a special committee be formed to work with Caltrans on aesthetics issues, such as the type of material used on retaining walls.

Novato:
Pat Eklund

The PAG concurred with the recommendation and requested that the Cities of Novato and Petaluma, Sonoma County Transportation Authority, and TAM appoint two members each. The Committee would meet and discuss aesthetic options and then forward them to the PAG for review. Caltrans requested that the members be professionals from the design field.
